LEARN-TO-SKATE

Brought to you by the Waterville Parks & Rec Dept. and the Waterville Skatepark Associatio **2014**

About Program

A free service offered to the public for children, teens, and even adults. The Learn-to-Skate Program teaches people the basics of skateboarding, rollerblading, biking, and scootering, in a fun and safe environment. The program runs June 2 to June 30, three times a week (Mon., Tues., Wed.) Skateboards, rollerblades, and scooters are donated by the instructor, but supplies are limited. For more information please visit our website posted on the right under "Skatepark Project".

How to Register

Email david.dutil90@gmail.com or visit the Skatepark Project website and under the Goals tab you will find the Contact tab. From there you can submit an email asking to register you or your child for the program. You can also call in for more information and registration.

The Benefits for You, Your Child, and Us

By participating in this program you are supporting your community's effort to improve the Green Street Park recreation area by supporting the Skatepark Project. Donations are more than welcome for the benefit of this non-profit project. Your promoting healthy physical activity for your child, along with constructive peer interaction, responsibility, and building positive self=image and self-esteem.. You are allowing your child to grow, and giving you some extra time to your self.
