Subject: Highway Resurfacing
Federal Project Number NHP-2032(000)
Project Number: 20320.00
Waterville RTE104

Dear Mr. Roy:

The Maine Department of Transportation is currently working on estimating a highway resurfacing project on RTE 104 in the City of Waterville for advertisement of the subject project for competitive bids In January 2014. We estimate that the construction would begin approximately in May 2014 and be complete by the end of July 2014.

The project is further described as follows:

Highway Resurfacing beginning at the intersection with COLLEGE AVE and extending northerly on Route 104 for 0.34 miles

After the new pavement is placed, no permit to open this segment of highway will be granted for a period of three (3) years except as provided in Title 23, M.R.S.A. §3352. The purpose of this letter is to make the necessary notifications of the project to abutters, municipal officials and occupants of the highway under the provisions of 23 M.R.S.A. § 3351.

We hereby request that you provide a copy of this notice to all municipal officials, employees and boards with responsibilities for utility and/or land-use planning/permitting, and that you post this letter on any municipal public bulletin boards, media outlets and/or municipal websites as public meeting will not be held regarding this project unless specifically requested by the municipality.

Should you have any questions, concerns or other areas of interest, we would appreciate your comments and input. Please feel free to contact me at 557-1663 with any questions or concerns.

Sincerely,

Shawn A. Smith
