Subject: Waterville – Pittsfield Pavement Preservation Project Interstate I-95 NB
Project Identification Number 2551900, FEDERAL Project Number: 25519.00

Dear Mr. Daly,

The Maine Department of Transportation is currently working on estimating a pavement preservation and bridge joint rehabilitation project on Interstate I-95 NB in the City of Waterville, Towns of Fairfield, Burnham, Benton, Clinton, and Pittsfield, the for advertisement for competitive bids in 2022. Construction will begin in the late spring and continue until completion in 2022; exact start and completion dates and a will be forwarded once a schedule from the Contractor has been reviewed and approved. Construction work hours will include day and night work, including occasional nighttime ramp closures.

The project is further described as follows:

*Pavement preservation, Ultra-Thin Bonded Wearing Corse Beginning 1.47 miles north of the Sidney town line (approximately at the Webb Road Bridge) and extending north 18.14 miles. All on and off ramps will be paved as part of this project.*

The purpose of this letter is to make the necessary notifications of the project to abutters, municipal officials and occupants of the highway under the provisions of 23 M.R.S.A. § 3351. We hereby request that you provide a copy of this notice to all municipal officials, employees and boards with responsibilities for utility and/or land-use planning/permitting, and that you post this letter on any municipal public bulletin boards, media outlets and/or municipal websites as public meeting will not be held regarding this project unless specifically requested by the municipality. In addition, after the new pavement is placed, no permit to open this segment of highway will be granted for a period of 3 years except as provided in Title 23, M.R.S.A. §3352.

The Department would like to know if there are any events or known traffic generators that would impact this project. Should you have any questions, concerns or other areas of interest, we would appreciate your comments and input. Please feel free to contact me at (207)-557-1663 with any questions or concerns.

Sincerely,
