

Try Composting

It's natural

Autumn is upon us! We will soon be up to our knees in leaves, a good time to start composting. To the leaves you can add grass clipping and other garden waste as well as kitchen waste. It's an easy way to reduce the volume of material that must be carted away by your municipality.

Come join us for one of the following workshops:

Barrels Community Market, Sun. **October 18** at 1 p.m, 2 p.m. & 3 p.m.

Barrels Community Market. Wed, **October 21** at 5 p.m.
