Re: 2010 Basketball Program Information

Please find enclosed a schedule for the Over The Hill Basketball League. The regular season will last 8 weeks (January 3 – February 28). Playoffs are scheduled to begin the week of March 7th. Also enclosed you will find a copy of the league rules. Make sure to inform all of your team players of these important rules, including:

- After 2 technical fouls during the season, each technical foul will cost the player \$10. The player can not play in any further games until this has been paid to the Waterville Parks & Recreation Department.
- All teams must submit rosters prior to the third game of the season. Each player that is listed on a roster must complete a registration form (see below).
- All teams will have shirts with numbers on the back of each player's shirts. The shirts do not have to be matching, however once a player has been assigned a number, the player must maintain wearing a shirt with that number during each game of the season.

New this year: Teams will be responsible for paying one official \$25 prior to the start of each regular season game. If a team does not pay, they will not be allowed to play the game and it will be counted as a forfeit. Any team that must forfeit a game without giving the Waterville Parks & Recreation Department a minimum of 72 hours notice will be responsible for the cost of both officials. This fee must be paid prior to the teams next scheduled game. Waterville Parks & Recreation will be responsible for official fees during playoffs only.

REMINDER: You **MUST** complete a registration form and pay the \$40 league fee immediately. If you have members of your team that need registration forms, please go to the website at <http://www.waterville-me.gov/departments/parks>. There is a link for Sports and then click on Over The Hill Basketball. If you do not turn in a registration form and fee, you will not be allowed to play. Our gym supervisor will also have registration forms available the first week of games.

Also, if your team is looking for players, occasionally individuals will contact our office looking for teams. You can email me at bgreen@waterville-me.gov if you are interested in contacting others for your team.

If you have any questions or concerns, please feel free to call the office at 680-4744. Best of luck this season!
