

RX4 Meeting
August 11, 2010
12:30-2:00

Members Present: Ross Nason, Blanche Davison, Lass Von Appen, Linda Woods

The group enjoyed a tour of Huhtamaki prior to this meeting. There are multiple opportunities for this team to partner with Huhtamaki.

1. Blanche reported that the booth at Albion Field Day was not well visited.
 - Consider relocating the table closer to the line for chicken B-B-Q
 - Maybe Huhtamaki would donate some of their products.
 - Blanche made contact with Neil Farrington. Ross is going to contact him about joining this team.
 - If asked, this group is interested in doing this event again.

2. Ross wants to tie in better with Waterville Main St.'s outreach. He & Shannon discussed the Harvest Fair (tentatively set for Oct 16).
 - Work w/ restaurants & serve food: maybe Barrels' vendors?
 - Linda will talk to David.

3. Linda told of Bruce's idea to set up a recycle stations(s) during The Taste. This would require approval of the Chamber of Commerce (sponsors of The Taste) as well as the hope that vendors use recyclable materials. As consumers leave the recycle station, they would be encouraged to visit the exhibits.

The next meeting will be **Wednesday, September 1** at **12:00** at **Mainely Brews.**
