What Not to Bring:

- **Asbestos:** Call ME Dept. of Environmental Protection at 1-800-452-1942.
- **Commercial or Industrial Waste:** Call ME Dept. of Environmental Protection at 1-800-452-1942 or EPI at 1-877-846-0447.
- **Infectious & Biological Waste:** Call your local Hospital for instruction on how to dispose.
- **Latex (Water Based) Paint:** Dry the materials by opening the lid or placing kitty litter in the container, then dispose with regular trash once it is completely dry.
- **Fluorescent lights, PCB ballasts, thermometers & thermostat's:** These items can be recycled through your local transfer station.

Televisions & Computers

For 2010, there will be a television and computer drop off. The television and computer drop off will be separate from the regular household hazardous waste drop off.

Pre-registration is not required for televisions and computers. There is a limit of five (5) items per household, no exceptions.

Pre-registration Information:

Please contact the representatives for your community. They will talk to you about:

- The items you want to bring to the collection day to make sure they are acceptable items.
- Schedule a time for you to come to the collection day event.
- Fill out a form for the items you will be bringing, collect fee (if applicable) and issue you a sticker that will allow you into the collection day event. Please note some communities are charging a fee. Check the other side of this flyer to see amount of fee, if any.
- Provide alternative disposal or recycling options for items that cannot be taken to the collection event.

How to safely transport items:

- All items brought to the collection must be in sealed containers.
- Tighten caps and lids, leaving materials in the original labeled container when possible.
- Pack containers in sturdy, upright boxes and pad with newspapers. Sort and pack separately: paints, pesticides, household cleaners.
- **Never mix chemicals.**
- Place materials in vehicle, preferably in the trunk. Prevent box from tipping over in the car.
- Go directly to the collection site.
- Never smoke while handling hazardous materials.
