

Halloween Party

Preschoolers through grade 5 are invited to join us for a fang-tastic good time at our Department's annual Youth Halloween Party for a safe and fun alternative to trick-or-treating held at Waterville High School. Hang around for a spell and see which one of our many carnival games will win you the most candy and prizes.

This year's Halloween party will feature some new activities such as coloring and face painting.

The traditional haunted house will be replaced with a bounce house.
