

Meet Your Farmers: A Celebration of Community Supported Agriculture

CSA Fair & Farmers Market

Saturday, March 2, 11:00 a.m.-2:00 p.m.

at Barrels Community Market, 74 Main St., Waterville

Part celebration and part education, "Meet Your Farmers: A Celebration of Community Supported Agriculture" brings local farmers and producers together with members of the community to share information about opportunities to enjoy local foods while supporting these enterprises in a meaningful way. This year the fair will dual as a winter farmers market, so come planning to do your seasonal shopping as well.

Meet Your Farmers and Fishermen is taking place in ten locations across Maine. For the statewide list of event locations, visit www.s.coop/csafair. For more information about the Waterville event, please contact Barrels Community Market at (207) 660-4844.
