

Got Drugs?

If you have **unused** or **expired medications**, we'll help you dispose of them!

Prescription drug abuse is a **BIG** problem in Maine. Getting rid of unused or expired medications helps prevent crime and other drug-related issues.

It is important not to flush your medications or throw them in the trash.

Instead, bring your medications to over 160 locations in Maine to safely dispose of them.

October 26th is National Drug Take Back Day.

For more information and a complete listing of sites, visit

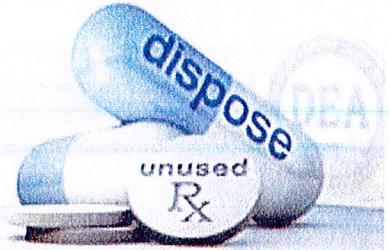

www.tinyurl.com/METakeBack2013

Permanent drug drop off boxes are available at most police departments throughout the year.
