

Rethink, Reduce, Reuse, Recycle Team

November 6, 2013

Noon

Members Present: Jane Edwards, Geoff Hill, Elery Keene, Ross Nason, Lass Von Appen, Linda Woods

Geoff & Melissa Hackett (of the Education Team) are hosting “Backyard Composting for Four Seasons” and “Putting Your Garden to Bed” on Saturday, November 9 at 9:00 at North St. Community Garden. Linda has promoted this in a variety of ways. Other joint workshops will be held.

Action Items:

Geoff: Contact Bonnie

Linda: Bring the SMMC materials

Geoff collected 3 compressed five-gallon buckets of materials at the Climate Adaptation Briefing. This translates into 20 gallons of food and paper that was saved from the waste stream.

We wondered about the status of the “Waste & Recycling” signs.

Action Items:

Christian: Send Linda the contact info for the printer to send a letter of thanks

Christian: Send Linda an invoice

We discussed the swap shop. This is a work in progress.

Action Items:

Christian: Ask Ken Stevens about locating something there & report the results to Ross & Linda before the next meeting

Bob: Talk to the City about hauling the trash that gets left at the swap shop & report the results to Ross & Linda before the next meeting

Geoff: Talk to Skills about locating a swap shop there& report the results to Ross & Linda before the next meeting

Ross: Ask about a swap shop at the location in Winslow

The next meeting is **December 4** at **noon** at **Jin Yuan**.
