

Mayoral Proclamation

Whereas, Arthur and Connie have been a life-long Waterville residents, growing up in the City's north end; and

Whereas, about 15 years ago they acquired a number of properties in the Ticonic Street neighborhood and, as a result, rehabilitated all of the apartment units in that area to provide safe, clean and affordable housing for many residents who are elderly or on fixed incomes; and

Whereas, along with their family, they work tirelessly in keeping the neighborhood attractive and a place where residents can enjoy a place called home; and

Whereas, they often work behind the scenes to help others less fortunate; and

Whereas, their commitment to community is especially evident in the north end area of the City; and

Whereas, Arthur and Connie are humble individuals who personify what the Spirit of America award is truly all about,

Now therefore, I, Nicholas Isgro, Mayor of Waterville, on behalf of the City Council, do hereby recognize and endorse:

Arthur & Connie Turmelle

as the 2015 Spirit of America Volunteers of the Year

and call upon our fellow residents to pay tribute to them as true credits to our community.

In witness whereof, I do hereby set my hand and seal this 21st day of April, 2015.

Nicholas Isgro, Mayor
