

CITY of
Waterville
M A I N E

Mayoral Proclamation

- Whereas** interest in and understanding of the long term care delivery system has become increasingly important due to the growing number of elderly and disabled Americans; and
- Whereas** long term care providers are dedicated to providing quality care and education to citizens in their communities about the quality of long term care services available; and
- Whereas** the reform of America's health care system is a major concern for nursing facility residents, their families, and staff, and the American public in general; and
- Whereas** the members of the American Health Care Association and the Waterville Elks Lodge proudly sponsor National Nursing Home Week 2017 and invite the citizens of Waterville, Maine, to visit nursing facilities to benefit from the knowledge and experience of their residents, family members, volunteers, and staff; and
- Whereas** it is appropriate that the City of Waterville recognize the importance of our local long-term care facilities and the value of their services, not only our aging citizens, but also to their families,

Now therefore, I, Nick Isgro, Mayor of the City of Waterville, Maine, do hereby proclaim the week of May 14-20, 2017, as **National Nursing Home Week** in this community and urge all citizens to support quality of life in nursing facilities by visiting the residents of these facilities and by learning more about long term care in this community and across the nation.

In Witness Whereof, I do hereby set my hands and seal this 2nd day of May, Two thousand and seventeen.

Nicholas Isgro, Mayor
