Mayoral Proclamation

- Whereas,** Gertrude “Trudy” Lovely has faithfully served as the Pine Grove Cemetery Superintendent for over 32 years; and
- Whereas,** Ms. Lovely took it upon herself to meticulously hand draw maps of every plot in the entire cemetery; and
- Whereas,** Trudy has invested countless hours updating over a century’s worth of paper records for both plot ownership and burials; and
- Whereas,** she has entered all of the paper records into a database, which has been made available to the public on the city’s website; and
- Whereas,** Ms. Lovely worked with a professional mapping company to digitize her hand drawn maps and make them available on the City’s website; and
- Whereas,** Trudy has been a remarkable representative of the City and Pine Grove Cemetery through her professional interactions with funeral directors, memorial companies, veterans’ organizations, and grieving families; and
- Whereas,** Trudy will be retiring from her position on July 1, 2017;

Now therefore, I, Nick Isgro, Mayor of Waterville,
on behalf of myself and the City Council, extend sincere appreciation to

Trudy Lovely

for all that you have done during your tenure with the City of Waterville.

In Witness Whereof, I do hereby set my hand and seal this 6th day of June, 2017.

Nick Isgro, Mayor
