4 player's maximum. 3 + 1 substitute. Note: Game must start with 3(three) players in this 3x3 competition. Players cannot compete on more than one team.

Initial Possession

Scoring

1 point and 2 points, if scored behind the arc.

Game Length & Score Limit

- The regular playing time shall be as follows: one period of 10 minutes of playing time. The clock will continue to run once the game has started.
- The first team to score 21 point or more wins the game if it happens before the end of regular playing time. This rule applies to regular playing time only (not in a potential overtime).
- If the score is tied at the end of playing time, an extra period of time will be played. There shall be an interval of 1 minute before the overtime starts. The first team to score in the overtime wins the game. Initial overtime possession is determined by jump ball at foul line. Ball needs to be cleared beyond arc before legal score.
- A team shall lose the game by forfeit if at the scheduled starting time the team is not present on the playing court with 3 players ready to play.
- In case of forfeit, the game score is marked w-0 or 0-2 ("w" standing for win).

3-on-3 BASKETBALL RULES

Fouls/Free throws

- A team is in a penalty situation after it has committed 6 fouls. All common fouls after six team fouls will result in 1 free throw. After a team has reached 10 team fouls, 2 shots will be taken all fouls. Players are not eliminated from competition based on the number of personal fouls. Unsporting (technical fouls) will result in 2 shots and possession of the ball for the non-offending team.
- Fouls during the act of shooting inside the arc shall be awarded 1 free throw; fouls during the act of shooting behind the arc shall be awarded 2 free throws.
- Fouls during the act of shooting followed by a successful field goal shall be awarded next possession. How the Ball is played
- Following each successful field goal or last free throw, alternating possession resumes at the top of the arc. Play can only be initiated with a pass. The defender guarding the inbound player cannot go above the arc. The other 2 offensive players cannot be double teamed on throw in.
- Following each unsuccessful field goal or last free throw, if the offensive team rebounds the ball, it may continue to attempt to score without returning the ball behind the arc. If the defensive team rebounds or steals the ball, it must return the ball behind the arc (by passing or dribbling).
- Possession of the ball given to either team following any dead ball situation shall start with an exchange of the ball (between the defensive and the offensive player) behind the arc at the top of the court.
- A player is considered to be "behind the arc" when neither of his feet are inside not step the arc.
- In the event of a jump ball situation, the defensive team shall be awarded the ball. Stalling • Stalling or failing to play actively (i.e. not attempting to score) shall be a violation (loss of possession).
- Substitutions can be done by any team when the ball becomes dead, prior to the check-ball. The substitute can enter the game after his teammate steps off the court and establishes a physical contact with him. Substitutions require no action from the referees or any officials.

Time-outs

One 30-second time out is granted to each team. A player can call the time-out in a dead ball situation or if it has possession.
