

January 5, 2016

To all Basketball Coaches;

The Skowhegan Parks & Recreation Department will be hosting four Basketball Round Robin Fun Days at the Skowhegan Community Center.

Saturday, March 5th - Girls Grades 3& 4

Sunday, March 6th - Boys Grades 3 & 4

Saturday, March 12th - Girls Grades 5 & 6

Sunday, March 13th - Boys Grades 5 & 6

This is a recreation level tournament, not a travel/all-star team tournament, and is unlike most other tournaments. The tournament will be a Round Robin format with each team playing the same amount of games regardless of the outcome. It will be possible for more than one team to have the same record at the end of the tournament, for this reason there will be no trophies or awards presented to the winners. This is meant to be a fun day of basketball for all of those involved with no one going home early because of a loss.

The entry fee for the tournament is \$85.00 per team that must be returned with the roster. This fee is non-refundable after February 24. Tournament will be limited to 6 teams in each division and will be accepted on a "first come, first served" basis.

Coaches will be notified of game times as soon as possible after the divisions are full. Any questions please give me a call at 474-6901 or e-mail at skowrec1@skowhegan.org

If you are no longer involved with a team please forward this information to someone in your area that is.

We are looking forward to having fun filled days based on good sportsmanship and fun for all!

Hope to hear from you soon!

Sincerely,
Mickey Hoyt
