All but the \$75.00 and 10% of the Total Impact Value will be returned to you upon satisfactory completion of work.

NOTICE TO APPLICANT: the Applicant is hereby notified that, upon approval of this application, all work shall comply with the following requirements, as applicable: (1) all conditions specified in the Highway Opening Permit; (2) the Department's Street Excavation Ordinance, Regulations and Policies; (3) the MDOT's Utility Accommodation Rule (17-229 CMR 210); (4) all conditions of a Utility Location Permit issued pursuant to 17-229 CMR 210; and (5) local ordinances and federal and state laws. In the event of a conflict between any applicable requirements, the more stringent requirement shall govern unless otherwise directed by the Department. Specific attention is directed to the following requirements: (1) Work zone traffic control standards as defined by the Manual on Uniform Traffic Control Devices (MUTCD); (2) Occupational Safety & Health Administration (OSHA) trenching and excavation standards; and (3) 23 MRSA Section 3360-A, Protection of Underground Facilities (a.k.a. "The Dig Safe® Law") which requires notification to various entities at least three working days prior to making any excavation. Additional information may be found at: <http://mutcd.fhwa.dot.gov> , <http://www.osha.gov/SLTC/trenchingexcavation/> , and [www.digsafe.com](http://www.digsafe.com) respectively. **The applicant further agrees that, upon approval and issuance of a permit, the Department will be notified at least 48 hours in advance of the start of any work.** The Applicant shall be responsible for all final restoration of the affected area to the satisfaction of the Department of Public Works.
