Section 4. Vacancies on the Board of Education.

When the City Clerk or the Superintendent receives information or a written complaint suggesting that one

Discussion of the matter shall be placed on the agenda of the next regularly scheduled Board of Education meeting.

A vacancy shall be declared if the Board of Education determines by a two-thirds vote of the members present that one or more of the above criteria are met. A vacancy may also be declared by a two-thirds vote if a Board of Education member is absent on three consecutive occasions.

Following solicitation of interested candidates, vacancies in the Board of Education shall be filled by the Board of Education through appointment of a registered voter residing in the ward in which the vacancy occurs. The content of the ballot shall not be shared with other members until voting has concluded. The recording secretary shall read each ballot aloud and retain the ballots as a matter of public record.

If there is no majority winner in the first round, and there are two candidates, the matter shall be postponed until the next regularly scheduled meeting unless one candidate withdraws.

If there is no majority winner in the first round, and there are three or more candidates, all candidates who received fewer votes than the top two candidates shall be eliminated and there shall be a second round of balloting unless all but one candidate voluntarily withdraws. In the event of no candidate receiving a majority vote following the second round of balloting, the matter shall be postponed until the next regularly scheduled meeting.

The appointed Board of Education member shall serve until the regularly scheduled City election and a successor is elected and sworn. Said successor shall serve the balance of the term.

Section 5. Powers and duties of Board of Education.

The Board of Education shall have all the duties, rights and powers granted to such boards by the constitution and statutes of the State of Maine, and all the duties, rights and powers invested in the Board of Education of the City of Waterville before the adoption of this Charter, including the duty and power to:

Such sum shall be included with and assessed like other City taxes. The City Council may elect, by ordinance, to assess and bill for school needs separately.

The financial records of the Board of Education shall be reviewed as part of the annual independent City audit by the authorized representatives of the auditing firm conducting said audit. The financial records of the Board of Education may also be reviewed from time to time as directed by the City Council.

ELECTIONS

Section 1. Wards.

For the purpose of holding elections, the City shall continue to be divided into seven (7) wards divided along the boundary lines established by City ordinance.

Section 2. Revision of ward boundary lines.

Within two (2) years of the federal decennial census, the City Clerk shall, based on the results of said census, determine if the number of inhabitants in any one ward exceeds the number of inhabitants in any other ward by ten (10) percent, and if it does, the City Clerk shall notify the City Council thereof. Within six (6) months after receiving such notification from the City Clerk, it shall be the mandatory duty of the City Council to redistrict the City by ordinance. Each ward shall constitute a contiguous territory and contain as nearly as possible a number of inhabitants equal to the factor obtained by dividing by seven (7) the total number of inhabitants of the City. A convenient voting place shall be designated by the administration with City Council approval for one (1) or more wards. If, at the expiration of the six-month period, the City Council has failed to redistrict the City as herein required, the members of the City Council shall not receive any salary until the City Council shall have adopted such ordinance, which may not be vetoed by the Mayor. If, in any such redistricting, the residence of any City Councilor is placed outside of the ward from which elected, the office shall not be deemed vacant on that account and the City Councilor shall continue to serve out the term for which elected.

Section 3. Time and place of elections.

On the Tuesday following the first Monday of November, the registered voters of each ward, at the voting places designated for that ward, shall ballot as needed for Mayor, one City Councilor, one Board of Education member, and one Charter Commissioner from the ward in which they are resident. Each officer elected under this Charter shall be inducted and assume the duties of the office to which elected on the first Tuesday in January after New Year's Day, except that if New Year's Day falls on a Tuesday, they shall be inducted and assume the duties of office the following day.

Section 4. Registration of voter.

No person shall be allowed to vote at any municipal election unless duly registered as a voter in the City. A person may register as a voter by appearing before the Registrar and by proving qualifications to vote as required by the laws of Maine. The Registrar shall publish in a newspaper having general circulation in the City notice of the time schedule for registration before each regular or special municipal election. When the Registrar is not available, the City Clerk shall accept application for registration, except during the week immediately preceding any election. The Registrar shall prepare a printed list of voters for each ward and shall keep the list current at all times. Registration proceedings shall be conducted in the same manner as provided by the election laws of Maine, Title 21-A, as amended.

Section 5. Notice of election; preparation of ballots.

The City Council shall make notice of a regular or special municipal election by issuing a warrant, signed by a majority of City Councilors, containing a statement of the purpose of the election, the date and the time of opening and closing of the polls. Such warrant shall be served by the chief of police of the City by posting attested copies of said warrant at all designated voting places at least seven (7) days before the date of election. Such warrant, with the officer's return of service thereon, shall be returned to the City Clerk at least four (4) days before the date of election.

The City Clerk shall also cause notice of the election to be published in a newspaper having general circulation in the City at least seven (7) days before the date of the election. Notification of special ward elections shall be conducted in a similar manner.

Ballots for all regular or special municipal or ward elections shall be prepared by the City Clerk and shall be in substantially the same form as required by the election laws of Maine. At least seven (7) days before any municipal election, the City Clerk shall post a specimen ballot, prepared according to the regulations for state elections, at the voting place designated for each ward.

Section 6. Election officials; counting of ballots; notification of election.

The Warden of each polling place shall supervise the voting for that polling place on Election Day. Seven Ward Clerks shall assist the Warden. The Warden and Ward Clerks shall be appointed by the City Clerk in even-numbered years for a two-year term. Every effort shall be made by the City Clerk to ensure each ward is represented by a Ward Clerk, but when necessary, may appoint a Ward Clerk at-large to represent an unfilled ward.

Election Clerks, nominated by the municipal committee of each major political party and appointed by the City Council, as required by the election laws of Maine, shall assist the Warden in distributing, receiving and counting ballots.

All regular and special municipal elections shall be conducted in the same manner as provided by the election laws of Maine, Title 21-A, as amended from time to time. As soon as the polls are closed, the election officials shall count the ballots publicly under the supervision of the Warden.

The City Council of the City of Waterville shall constitute the canvassing board for the canvass of the votes and the determination of the result of every general or special municipal election held under the provisions of this Charter. The City Council shall meet as such canvassing board as soon as convenient after each election, at which time it shall receive the returns from the polling place(s) and shall, by resolution, certify and determine the result of such election as to each officer and matter voted upon at the election.

The candidate for Mayor having a plurality of the votes cast in all the wards shall be elected. The City Clerk shall deliver certificates of election to all persons elected, within fourteen (14) days of their election. If it shall appear that one or more of the offices to be filled by an election has not been filled, or if any person elected shall fail to timely qualify for the office, warrants for another and special election to fill such vacancy shall be issued forthwith, in substantially the same manner as provided in section 5 of this article.

Section 7. Recount and title to office.

Upon the written application of a candidate in any municipal election, within ten (10) days after the

election, the Clerk shall have the ballots recounted as provided in 30-A MRSA Section 2556 as amended. A person who claims title to any municipal or ward office may proceed against another who claims title to the office by proceeding in the manner provided in said 30-A MRSA Section 2556, as amended.

Section 8. Absentee voting.

Absentee voting shall be permitted in all regular or special municipal elections, provided that such voting conforms to the regulations governing absentee voting provided in the Title 21-A M.R.S.A. Section 751, as amended.

Section 9. Nomination of candidates.

Nomination of candidates for Mayor shall be made in the City caucus of each political party or by petition. Ward caucuses and City caucuses shall be held not less than ninety (90) days prior to the day on which a municipal election is to be held. Notice of a caucus shall be published in a newspaper having general circulation in the City at least three (3) and not more than seven (7) days before it is to be held. The procedure for calling, giving notice, holding and voting at caucuses shall follow the provisions for municipal caucuses in Title 21-A M.R.S.A. Section 311 et seq., as amended. Each ward caucus may nominate a candidate for City Councilor member of the Board of Education, and Charter Commissioner. Each City caucus may nominate one candidate for Mayor.

The person filing a declaration of candidacy must include within the declaration the title of the office such person intends to seek. Failure to file such declaration prior to 4:30 p.m. on the sixtieth (60th) day before the election will result in that person's ineligibility to be a candidate for election to that office in that calendar year.

D. Filing of petition and candidate's consent. Persons seeking nomination by petition and having submitted a declaration of candidacy in accordance with subsection (c) must file petitions and

candidate's consent in the office of the City Clerk prior to 4:30 p.m. on the sixtieth (60th) day before the election. Persons nominated by caucus must file their petitions by the same deadline.

- E. *Verification of petition.* On receipt of a petition, the Registrar shall verify the signatures on the petition.
- F. *Review of petition.* On receipt of a petition, the City Clerk shall review it. If it is incomplete or incorrect on its face, the Clerk shall advise the candidate or the person who certified it and allow the candidate, or person, to correct it in accordance with the facts. Corrections or additional signatures may not be submitted after 4:30 p.m. four (4) days after notification of the deficiency.
- G. *Challenge of validity of petitions.* Anyone desiring to challenge the validity of a petition shall notify the City Clerk of such challenge in writing by or before 4:30 p.m. four (4) days from the filing of the petition or corrected petition. Section 12. Special elections.

Special elections may be called by the City Council for any purpose permitted by this Charter or by statutes. All special elections shall be called by a resolution of the City Council authorizing the issuance of a warrant which shall fix the time therefore and shall state the offices to be filled, or the questions to be decided, and shall direct the Clerk to give the necessary notice and follow the same necessary procedures as for the holding of regular elections.

Elected candidate(s) shall be sworn in within ten (10) days of the City Council's certifying the election.

ARTICLE X.

Any elected official may be recalled and removed therefrom by the electors of the City as herein provided. The petition, before being returned and filed, shall be signed by registered voters of the elected official's district totaling at least fifteen (15) percent of the number of ballots cast in in said district as determined at the time of the last preceding gubernatorial election. Article X, sections 4, 5, 6 and 7 shall also apply to this section.

- A. *Calling of recall election.* If the petition or amended petition shall be certified by the City Clerk to be sufficient, the City Clerk shall submit the same with the certificate to the City Council at its next meeting and shall notify the member or members whose removal is sought of such action. The City Council shall at such meeting cause an election to be held in accordance with Article IX, section 12. The recall election will be held no more than forty-five (45) days after the City Clerk notifies the City Council, unless said notification is within three (3) months of a scheduled election, in which case the recall election shall occur on the scheduled election day.
- B. *Form of ballot in recall election.* Unless the member or members whose removal is sought shall have resigned before the receipt by the City Council of the City Clerk's certificate, the form of the ballot at such election shall be as nearly as may be: "Shall "A" be recalled? Shall "B" be recalled?" etc., the name of the member or members whose recall is sought being inserted in place of "A", "B", etc. In case of a majority of those voting for and against the recall of any official shall vote in favor of the recall, such official shall be thereby removed and the City Council shall cause an election to be held as in the provision for vacancy in that office.

Resolutions, orders or ordinances submitted to the City Council by initiative petition and passed by the City Council shall be subject to the referendum in the same manner as other resolutions, orders or ordinances. Within twenty (21) days after the enactment by the City Council of any resolution, order or ordinance which is subject to a referendum, a petition signed by at least fifteen (15) percent of the number of registered voters of the City of Waterville who cast ballots at the last regular gubernatorial election may be filed with the City Clerk requesting that any such resolution, order or ordinance be either repealed or submitted to a vote of the registered voters.

Section 3. Power of initiative.

The registered voters shall have power to propose any resolution, order or ordinance, such power being known as the initiative. Such initiated resolution, order or ordinance may be submitted to the City Council within ninety (90) days after the filing of the affidavit by a petition signed by registered voters of the City

equal in number to at least fifteen (15) percent of the number of registered voters who cast ballots at the last regular gubernatorial election.

Section 4. Procedure for filing petition.

Any three (3) registered voters of the City may make and file with the City Clerk an affidavit containing their names, address(es) and the address to which all notices are to be sent. In the case of recall, the name of the elected official whose removal is sought shall be part of the affidavit. In the case of referendum or initiative, the affidavit shall include a general statement with explanations of the resolution, order or ordinance. The City Clerk shall thereupon deliver to the voter one paper and one electronic copy of the petition. Petition blanks shall be made available for voters to sign in the office of the City Clerk during regular business hours. A copy of the petition shall be entered in a record book to be kept in the office of the City Clerk.

A copy of the proposed language shall be in the possession of each petitioner whenever they are collecting signatures. Petitioners shall present the copy to any voter for review upon request.

Section 5. Form of petitions.

The petitions used to invoke the initiative or the referendum shall be substantially in the following form:

"We, the undersigned voters of the City of Waterville, residing respectively at the addresses placed opposite our names, hereby petition the City Council to submit the foregoing question to the voters of the City of Waterville."

A copy of the affidavit filed with the City Clerk shall be attached to the petition. The affidavit shall be a general statement with explanations of the (resolution, order, ordinance) and reasons why this petition is being circulated.

NAMES	RESIDENCES	DATE

"Name, _____, of Street and Number _____, being duly sworn, deposes and says that he/she is the circulator of the foregoing petition containing _____ signatures and that the signatures appended thereto were made in the circulator's presence and are to the best of the circulator's knowledge and belief the signatures of the persons whose names they purport to be.

Signed, _____

Subscribed and sworn to before me, this ____ day of _____, 20___. Notary Public"

Section 6. Signatures to petitions.

The signatures to petitions need not all be affixed to one petition, but to each separate petition there shall be attached an affidavit of the circulator thereof stating that he/she, and he/she only, personally circulated the foregoing paper; that it bears a stated number of signatures; that each signature appended thereto was made in the circulator's presence and is to the best of the circulator's knowledge and belief the genuine signature of the person whose name it purports to be. With each signature shall be stated the same name printed, the place of residence of the signer, giving the street and number of the street or other description sufficient to identify the same.

Section 7. Filing, examination and certification of petitions.

All petition papers comprising a recall, initiative, or referendum petition shall be filed with the City Clerk. Within ten (10) working days after a petition is filed, the City Clerk shall determine whether each paper of the petition has a proper statement of the circulator and whether the petition is signed by a sufficient number of qualified electors.

The City Clerk shall declare any petition paper entirely invalid which does not have attached thereto an affidavit signed by the circulator thereof. If a petition paper is found to be signed by more persons than the number of signatures certified by the circulator, the last signatures in excess of the number certified shall be disregarded. If a petition paper is found to be signed by fewer persons than the number certified, the signatures shall be accepted, unless void on other grounds.

If the City Clerk's certificate shows the petition to be insufficient, the City Clerk shall forthwith so notify in writing one or more of the persons designated on the petition as filing the same; and the petition may be amended at any time within the five (5) days after the giving of the notice, by filing of a supplementary petition upon additional papers, issued, signed and filed as provided herein for the original petition. The City Clerk shall, within ten (10) working days after such amendment, make like examination of the amended petition, and attach thereto the certificate of the result. If then found to be insufficient, or if no amendment was made, the City Clerk shall file the petition in the City Clerk's office and shall notify each of the persons, designated thereon as filing it, of that fact. In the case of recall and initiative, the final ending of the insufficiency of a petition shall not prejudice the filing of a new petition for the same purpose.

After completing examination of the petition, the City Clerk shall certify the result thereof to the City Council at its next regular meeting. If the City Clerk shall certify that the petition is insufficient, the particulars in which it is defective shall be set forth in the certificate.

Section 8. Effect of affidavit for referendum petition.

Whenever there has been an affidavit filed with the City Clerk to begin petitioning for the reference to the people of any such ordinance, order, or resolution passed by the City Council, the same shall be suspended from going into operation until the results of the petition are determined by the City Clerk and an election has been held on the referendum question.

Section 9. Consideration by City Council.

Whenever the City Council receives a certified initiative or referendum petition from the City Clerk, it shall proceed at once to consider such petition. A proposed initiative resolution, order or ordinance shall be read and acted on as in accordance with the City Charter for passage without amendment. The City Council shall
