Action Items before July's meeting:

Robert: Watch first episode to see if it's interesting & viewer friendly

Alexander: Look for a schedule of episodes

We watched a power point with pictures of Alexander & Robert building the garden at the Mid Maine Homeless Shelter. They will be finishing the garden today.

Action Items:

Alexander & Robert: Write a 700 word article about your project; due July 30 to Linda

Linda: Check with Ellen Wells about when to take pictures

Ernie did his presentation on wood smoke for review. He used a paper copy of the power point that he & Bonnie created. We reviewed his 1 page handout and offer suggestions. We discussed adding other speakers like Norm Anderson (public health) and Clough Toppan (heat pumps). There will be time for discussion after the presentation whatever we do.

Action Items:

Bonnie: Bring the power point next month

Ernie: Send an electronic copy of the handouts to be forwarded to all
